2024 Montour Falls Harvest Festival Set for Saturday, October 5th

Montour Falls, NY – The 17th Annual Montour Falls Harvest Festival is set to return on Saturday, October 5th, from 12:00 PM to 7:15 PM, offering an action-packed day of fun and entertainment for the whole family. Hosted on Main Street in Montour Falls, this beloved community event promises something for everyone with free activities, live entertainment, and a bustling marketplace.

Festivalgoers can look forward to free live entertainment throughout the day, including music, a cooking demo, and an animal education show. Don't miss Still Kickin', a local favorite band, performing from 4:00 PM to 7:00 PM. Children will delight in free balloon creations, face painting, and inflatable games.

Additionally, the Schuyler Fit Zone from Cayuga Health, the title sponsor, will be part of the festival, featuring a FREE Teddy Bear Clinic for kids (while supplies last), along with other health and wellness activities. Schuyler County Historical Society will also be performing the ever-popular "Ghost Walks" at 12:30, 2:30, and 4:30, celebrating our area's spooky history.

The street will be lined with over 90 food and craft vendors, offering a wide array of goods to enjoy.

The festival is organized by Watkins Glen Promotions, a 501(c)(3) nonprofit organization dedicated to creating high-quality, free community events in Schuyler County. Watkins Glen Promotions is responsible for some of the region's most anticipated festivals, including the Watkins Glen Grand Prix Festival, Waterfront Festival & Cardboard Boat Regatta, and Village Christmas. Through these events, they work to support local businesses, tourism, and community engagement.
